

FORMATION OF ZONAL TEAMS

Duties And Responsibilities:

1. The Team should visit their Zones periodically and particularly to visit the vulnerable areas.
2. The Team should discuss with the First Responders, NGOs, and they should sensitize the Public living in that area, awareness should be created to Private Institutions, Educational Institutions and Hospitals **“how to react during the emergency situations”**.
3. The Team should identify the landslide prone areas, to ensure the culverts are cleaned, encroachments are removed in water bodies and to identify the alternative roads for Highly Vulnerable / Vulnerable areas which are likely to be affected during the flood/Landslides.
4. If The Team finds out any lapses on the works carried out by various line departments on disaster management, they have to report to the Collector as well as department concerned immediately to rectify the lapses.
5. The Team should have coordination with Fire Services department during the Mock Drill / Rescue and Relief Works.
6. The Team should inspect the Permanent Shelters / Temporary Shelters in their Zones and to ensure the availability of Basic Amenities. If anything is not available it may be reported to the department concerned to rectify the above defects immediately.
7. The Team should identify the alternate roads for the roads which are going to be affected during the flood / landslides.
8. The Team should coordinate with the Early Warning Committee, Search and Rescue Committee, Evacuation Committee and Relief Centre / Management Committee during the emergency situation.

Sl. No.	Name of the Firka	Name of the Zonal Officers & Ph.No.		Name of the Members
